LAIA LÓPEZ

Laia López is known for her enchanting illustrations and her popular series *Strawberry Moon*. Her art often features whimsical characters and intricate details, capturing the imagination of her audience.

MÍRIAM BONASTRE

Míriam Bonastre is a standout Spanish comic artist, famous for her hit webcomic *Hooky*. This magical story filled with lovable characters has won readers in both Spain and the U.S., even making its way onto *The New York Times* bestseller lists.

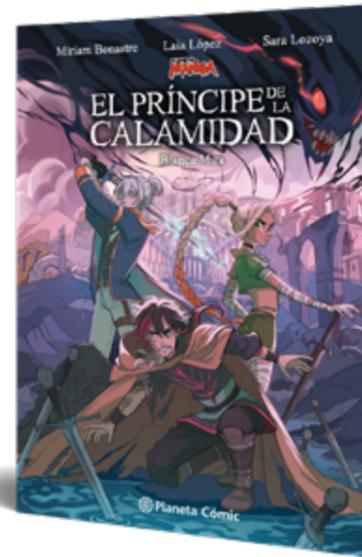

SARA LOZOYA

Sara Lozoya has mastered the art world as a color key artist at Sunshine Animation Studio, where she has contributed to animated trailers for video games like *Blasphemous*, *CrisTales*, and *TemTem*. Lozoya has also illustrated a wide range of young adult books, including *Escuela de Villanos* and *Ana de las Tejas Verdes*.

BLANCA MIRA

Blanca Mira is a novelist and screenwriter, recognized as one of the first authors in publishing a light novel in Spain (*Eraclea. The Legend of the Golden Seed*). She is also well-known for *I Fell in Love While Sleeping*, *After the Poles* and *Good Game!* (illustrated by Kaoru Okino). As a screenwriter, she won the Norma Editorial manga contest prize twice, with the thrilling *Ad Mortem* (2015) and *Heralds* (2019). She has also broken into the Japanese market with an original work published by Square Enix, an adventure that inspired her to write *Japan: From Student to Mangaka*, illustrated by Inma R.

THE PRINCE OF CALAMITY

RIGHTS SOLD TO: FAIRSQUARE GRAPHICS (WORLD ENGLISH RIGHTS), PROBOOKS (BULGARIA).

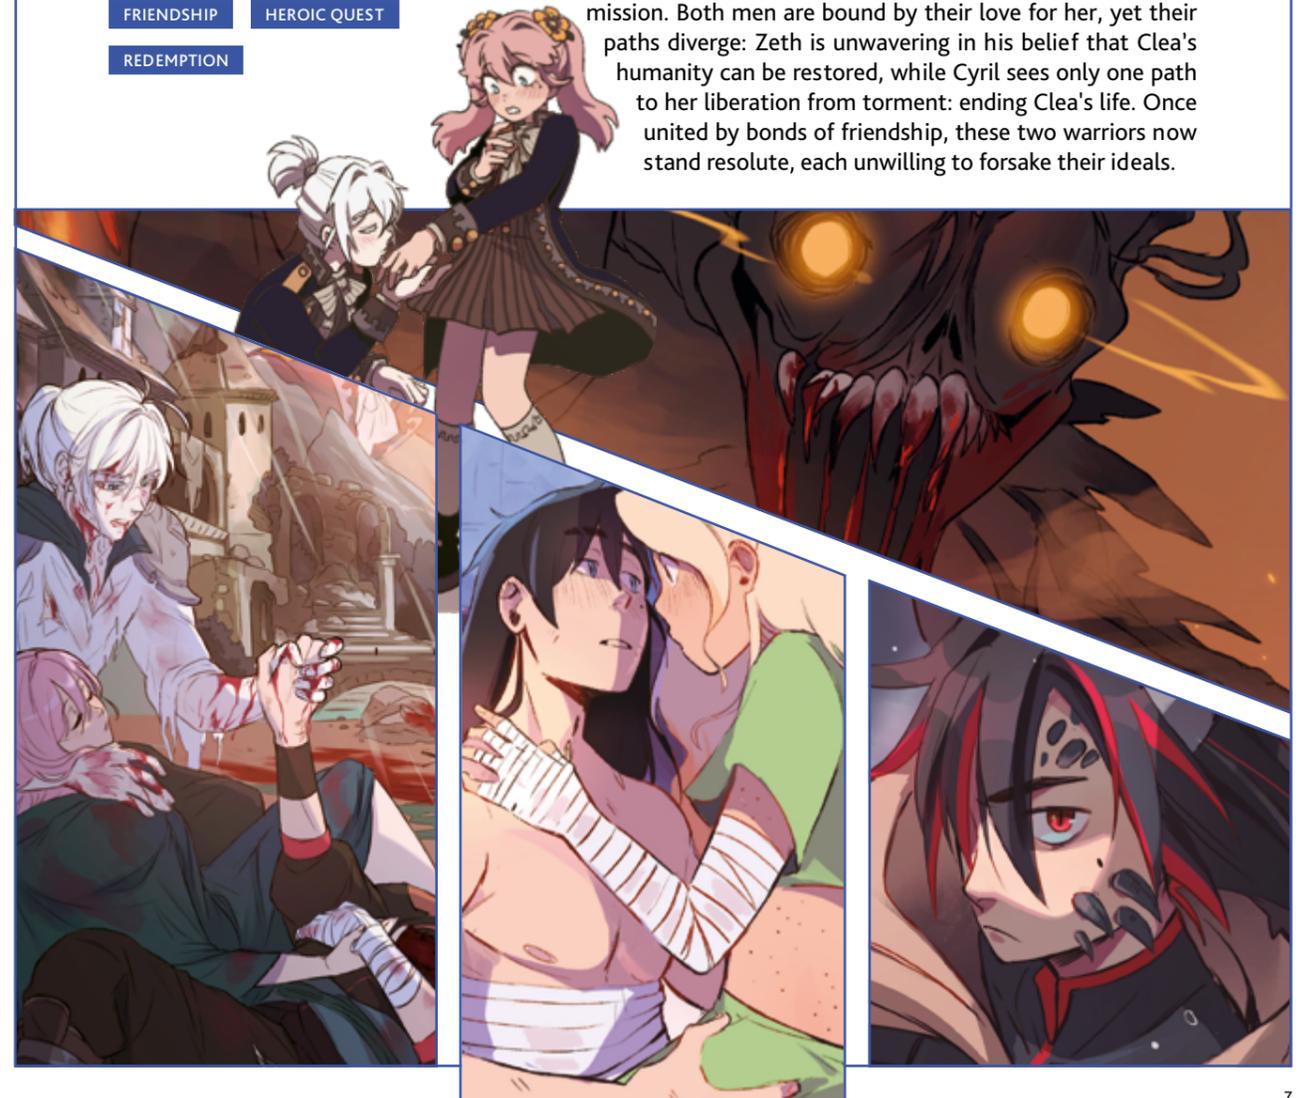

An epic romantasy that explores the intricate depths of human relationships, the duality of duty and love, the unwavering bonds of friendship, and the indomitable spirit of perseverance

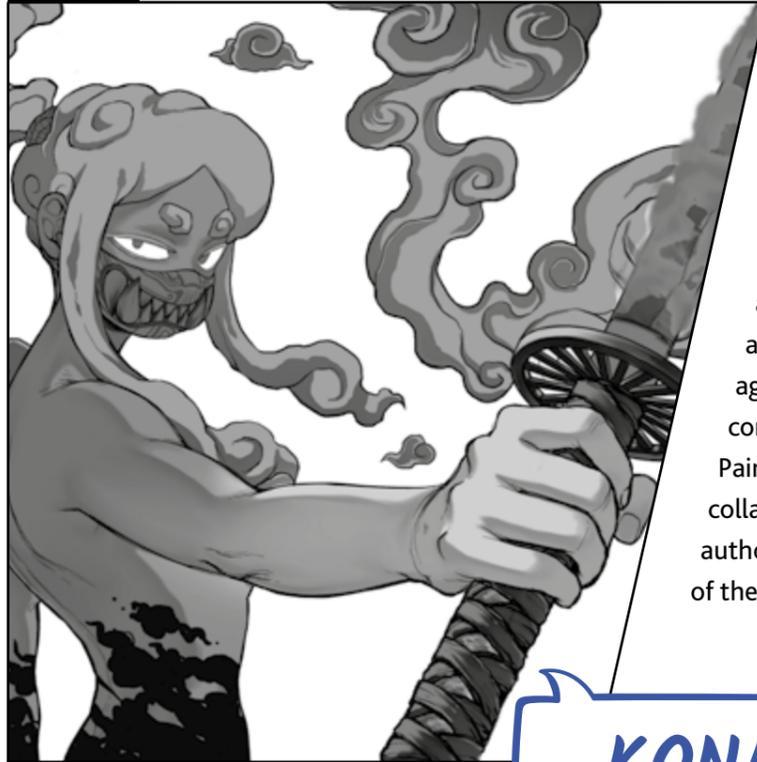

The sovereign of Eden Septem, consumed by wrath and bitterness, commits the most heinous sin imaginable: the slaughter of innocents. As retribution for this vile act, the dreaded curse of the Áqalos descends upon him. This malediction decrees that any soul guilty of genocide shall doom themselves and their entire lineage to embody "Calamity".

Through sheer will and fortitude, Prince Zeth alone has mastered the Calamity that grips him. His noble quest is to rescue his cherished sister, Clea. Cyril, whose heart has been entwined with Clea's since their first encounter, shares his prince's sacred mission. Both men are bound by their love for her, yet their paths diverge: Zeth is unwavering in his belief that Clea's humanity can be restored, while Cyril sees only one path to her liberation from torment: ending Clea's life. Once united by bonds of friendship, these two warriors now stand resolute, each unwilling to forsake their ideals.

Konata is one of the best European cartoonists of her generation, with a brilliant career ahead of her. She has always had a passion for art, and her artistic talents have stood out from a young age. She won first prize in the international comic and manga competition of Clip Studio Paint with her work ¡Ánimo papá! She is also a collaborator for *Planeta Manga Magazine*, the author of the *Kohva* series, and the illustrator of the one-shot *Nebesta*.

KONATA

RIGHTS SOLD TO: ALTRAVERSE (GERMANY), RENOIR SAS (ITALY), DARGAUD-LOMBARD (BELGIUM), HOBBY (JAPAN).

KOHVA 1/3

Konata reinvents the classic shonen by drawing inspiration from the indigenous tribes of the Arctic regions of America

"A long time ago, our ancestors made a pact with the deities in exchange for gifts. These gifts made life easier in the frozen lands, but when the beasts of the sea arrived, the waters were tainted with their black blood."

Today is one of the most important days in young Aki's life, as he must pass the rite of his village to become a full-fledged citizen. In his tribe, they control the power of ice, but Aki is still mastering these magical arts. Fearing the trial might go awry, his brother Yako offers to accompany him. However, a violent and savage threat descends upon the village, separating the brothers. Alone in the desolate wasteland, Aki forges new alliances with members of different tribes, each with their own unique powers, who become his new family. Together, they must bravely face the unknown, restore balance, and embark on an epic quest to find Yako.

KOHVA 2/3

Aki's relentless quest to restore balance and uncover ancient secrets intensifies as he desperately searches for his lost brother

"Generation after generation, the wise have taught us that there are three elemental deities that maintain the balance of this world. Avanto, the deity of the wind; Pyrio, the deity of fire; and Ylva, the deity of ice. But for some reason, they forgot to mention there was a fourth: Kohva, the deity of the sea."

Aki couldn't save his people from the wrath of Ursa Major and Ursa Minor, but thanks to Sedna, the people of the wind were able to survive this great threat. Something is destroying the balance of the gods, and it seems that Kohva is the only one who knows what is happening. But who is Kohva? Does the tribe of the sea really exist? Nothing is certain, but what Aki does know is that he will gather enough courage to save this world and find his brother alive.

KRYMSOUL 1/2

A romantasy shonen in the vein of A Court of Thorns and Roses by Sarah J. Mass and the stunning visuals of Genshin Impact

After centuries of peace in the kingdom of Mythcrest, tranquility is shattered when a great dragon descends on the night of the solstice, turning the city streets crimson in a horrifying massacre. Eyra, a determined magic student, takes charge of the situation to protect her beloved sister. Just when it seems the worst is over, the survivors learn that each week, a new beast will descend from the skies to hunt them down.

KRYMSOUL 2/2

The conclusion of this riveting story, filled with the magic of fairy tales... but also their cruelty

Eyra once believed she could trust her companions, but the truth has shattered that faith—especially in Hest.

As the group tracks the elusive force behind the Krym and the disappearances of countless young women in Mythcrest, Eyra finds herself spiraling into fear and doubt. But she cannot afford to falter—not when her sister, Lea, depends on her.

Determined to prove she's more than a burden, Eyra pushes herself beyond her limits. Yet, the path ahead isn't just fraught with danger from the outside; dark forces stir within her, threatening to destroy her from the inside out.

In a world where betrayal lurks at every corner and nightmares come to life, can Eyra defy the evil that hunts her, or will the monsters of her past drag her into the abyss?

CARLES DALMAU

Carles Dalmau is a vibrant illustrator whose talents span across multiple mediums, from comics to intricate concept art. He's the creative genius behind titles like *Mi ángel guardián*, *Lucid Lucy*, and *Calamari Kebab*. He has also co-created *Soma* with Fernando Llor, or *Magical Animals* with Susanna Isern. Moreover, Dalmau has lent his artistic flair to the popular video game *Cult of the Lamb* (Massive Monster Studios / Devolver Digital) and has collaborated with major companies such as Disney and Netflix. He has also worked as a concept artist for the video games *Monster Camp*, *Genshin Impact*, *The Binding of Isaac*, *Wild Frost*, and *Ankora: Lost Days*.

FERNANDO LLOR

Fernando Llor boasts an impressive career as a comic book writer, having published over 23 titles in Spain, France, the USA, and Portugal. Among his notable works are *Ojos Grises*, *El espíritu del escorpión*, *La confesión*, *Subnormal*, *Una historia de acoso escolar*, *Plot Point*, and *Dreambreaker*. His illustrious career has earned him numerous awards and multiple nominations for Best National Screenwriter. As the president of ARGH, the Professional Association of Comic Book Screenwriters, Fernando also dedicates his time to teaching scriptwriting, a passion he has pursued for over a decade.

PARANORMAL MYSTERY

HAUNTED HOTEL

PRIVATE DETECTIVES

DARK HUMOUR

LAST CHANCE ADVENTURE

HIDDEN TRUTHS

A darkly humorous and suspenseful journey into the paranormal, where two down-on-their-luck paranormal detectives unravel the deadly secrets of a cursed mountain hotel—one last case that could make or break them

Vega and McCoy are private investigators of the paranormal who are now barely scraping by. Their cases have turned into one disaster after another, leaving them disillusioned and questioning if their so-called "gift" is nothing more than blind luck and bad judgment.

Just as they're ready to throw in the towel and trade ghost-hunting for something as mundane as a desk job, Patricia Soldekund shows up at their office. She's the heir to a dynasty that has long run a grand hotel in the mountains: the Miramar.

The Miramar, she claims, is cursed. Blood seeps from the walls, crockery flies across rooms, and her once-gifted chef has lost all sense of taste—literally. But there's something about her story that doesn't add up. Vega's instinct screams scam, but McCoy, ever the optimist, convinces her to take on "just one more case."

This will be their last chance to solve a real mystery or leave it all behind for good and find a "real" job.

SOMA

RIGHTS SOLD TO: ONI-LION FORGE (USA), RENOIR SAS (ITALY).

A comic author and an alien team up to defend the Earth from an unprecedented extraterrestrial invasion in a thrilling adventure full of action, humor, and heartfelt moments

Maya is a comic book author with a difficult personality, while her jumpy friend Juu is obsessed with finding a partner, despite his awkward flirting skills. Maya is going through a tough time: the relentless pace of drawing, the feeling that she's not creating the works she truly wants, and the absolute lack of time for anything else are weighing her down. Things get even worse when an alien named Soma sneaks through her studio window. In spite of the initial shock, he explains that all he needs is help: his kind is about to begin the conquest of Earth, and he must stop it. Together, Maya, Juu, and Soma will embark on an impossible battle against soldiers, gigantic ships, and tentacles—lots of tentacles—to end the invasion.

In the vein of *Scott Pilgrim*, this story is hilarious even when it tries to get serious and deep. The details in Carles Dalmau's illustrations create a colourful video game-like atmosphere that amazes the reader on every page.

LUIS MONTES

Luis Montes is a comic book author and concept artist, best known as the creator of the manga *Gryphoon*, which is currently being published in the magazine *Planeta Manga*. He completed his studies at the prestigious Joso School in Barcelona, where he has been a professor for the past four years. He has also been working as an illustrator for Nintendo on advertising campaigns for *Zelda* and *Fire Emblem*, as a concept artist for various animation productions and video game studios, and has contributed to several projects such as the comic *Diferente*.

GRYPHOON SERIES

The female leadership of The Hunger Games meets the thrilling quests and charismatic characters of One Piece in this unputdownable, action-packed shonen series

Noha Argonnar's greatest dream is to become a Gryphoon and uncover the mysteries surrounding his brother's strange death. To join the only military unit in Ark capable of defeating the Eckhos' menace, he must first overcome rigorous trials and numerous dangers. He soon realizes that the only way to conquer these challenges is by teaming up with four other candidates: an ex-convict, a giant, a clever ondine, and a talented sylvan.

With their forces united, this eclectic group passes the trials, but life at the academy is tougher than they ever imagined. They still have to face several tests, and worse, a mysterious Eckho has infiltrated the academy, spreading terror among the Gryphoon cadets. Noha and his team must face it, but first, they must overcome their own fears to wake up from this nightmare.

Their success in this last mission leads to their first assignment outside the academy: protecting a sylvan community. Soon, they realize that Dust, the leader of this community, is not the peaceful man he seems. They discover he hides a powerful weapon within the town hall caravan: a young dryad girl. Noha and his friends must act quickly. What is Dust's plan? How can a young girl be such a deadly weapon?

- LIFE AT AN ACADEMY HUMOUR
- FAMILY SECRETS SELF-DISCOVERY
- VIDEO GAME CONTEST

A comedy filled with clever nods and references to gamer culture, delivering both heart-wrenching dramatic moments and a powerful message about how video games can also unite people

On her mother's deathbed, Yuki makes a shocking discovery—she has a brother she never knew about! Still reeling from the news, she sees on TV that her brother is set to compete in a famous video game tournament. Without a moment's hesitation, Yuki, along with her best friend Enishi, sets off on an exciting journey to the competition, enrolling in Good Game Academy to meet him. But once there, she realizes that building a sibling bond with someone she's never met is more challenging than she anticipated.

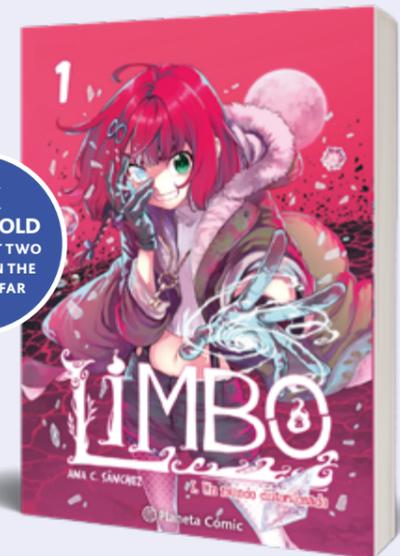

Ana C. Sánchez is a manga author and illustrator who has gained significant recognition and international fame in the last few years. She started in the illustration world as a self-taught artist, creating several webcomics like *Cross Heart*, *Melody of Sorrow*, and *Phantom Edge*, which she later printed and sold at manga events. Her yuri story *Alter Ego*, originally published in the magazine *Planeta Manga*, brought her into the international manga spotlight, with a collected volume published in France, the United States, Italy, and Brazil. Since then, she has published *Sirius*, *Reflejos del futuro*, and the shonen series *Limbo*, for which she won the Best Spanish Manga award at the 29th Manga Barcelona in 2023 and the Bronze Award at the 2023 Japan International Manga Award.

ALTER EGO 1

An enchanting yuri romance about the struggles of having a crush on your best friend, falling in love for the first time, and healing a broken heart

Noel has always been in love with her best friend Elena, but she has never dared to confess her feelings. When Elena starts dating the charming Hiro, Noel's world falls apart as she sees her chance at love slip away.

One night, in a moment of desperation, Noel confesses her feelings for Elena to a complete stranger. By a twist of fate, this stranger turns out to be June, Elena's other best friend and Noel's rival in love! To make matters worse, now June knows Noel's secret. With everything stacked against her, how will Noel win the girl of her dreams?

ALTER EGO 2

A touching dramedy about the quest for love as Noel and June navigate the troubled waters of their new relationship

Elena's two best friends were rivals... and now they are dating! Noel has always been a bit intense and sometimes struggles to manage her own feelings, but she maintains a certain order in her daily life and is very responsible. On the other hand, June is a mess; she rarely leaves the house, stays up late playing video games, and poorly organizes her time. Despite her chaotic lifestyle, June is comfortable with her own disorder and, most importantly, has a clear understanding of her feelings.

The question is... with such different personalities, will they be able to make their newly established relationship work? And who is the mysterious guy who has just entered the scene? This is particularly concerning... because it seems he likes Noel!

- INTIMATE SCI-FI DUAL TIMELINES
- INTERWOVEN SPACES LGTBIQ+ ROMANCE
- VIRTUAL WORLD SOLITUDE
- WARM VS. COLD PALETTE TO REFLECT EMOTIONS
- MODERN LOVE

As heartwarming as it is heartbreaking, this story of love and predestination transcends typical genre tropes to explore the essence of relationships and love in our modern, virtual world

Valentina leads a simple life in her cozy cabin in the middle of the forest, accompanied by her loyal dog, Sopa. She enjoys her independence, working on her ceramic pieces, being in touch with nature, and sharing secrets with her friend Esteban. Yet, every night, she has a recurring dream: She is Val3 and lives isolated on another planet with her partner, An3. Although everything in this dream world is too white and silent, Val3 and An3 seem destined to be together. These dreams are so vivid and lifelike that Valentina's waking world begins to blur, losing its sense of reality. Her confusion deepens when she discovers that An3 is not just a figment of her imagination but a real person, called Ane, who has recently moved to the nearby town. Her peaceful present and the cold future begin to intertwine, threatening to unravel the world she once knew. But is Ane real? To what extent is this alternate reality just a dream?

With an exceptional ability to reflect everyday life through restrained emotion and warm tenderness, Ana Oncina intertwines two love stories: one brimming with the excitement and intensity of new beginnings, and the other marked by the sadness and confusion of a love story is coming to an end.

★MULTI-AWARD-WINNING MANGA

JUST FRIENDS

RIGHTS SOLD TO: TOKYOPOP (USA).

A sweet, delicate journey through the bittersweet nostalgia of first love that cherishes the memories of who we once were

It's been over ten years since the summer camp where the shy Erika and the outgoing Emi first met. Erika wasn't thrilled about her mother's decision to send her away for a week with a bunch of other teenagers. Nevertheless, this feeling changed when a spirited girl with long curly hair sat beside her on the bus, opening the door to a heartfelt friendship. Through excursions, beach days, and starry nights, they shared secrets, confidences, and their first kisses, falling head over heels in love.

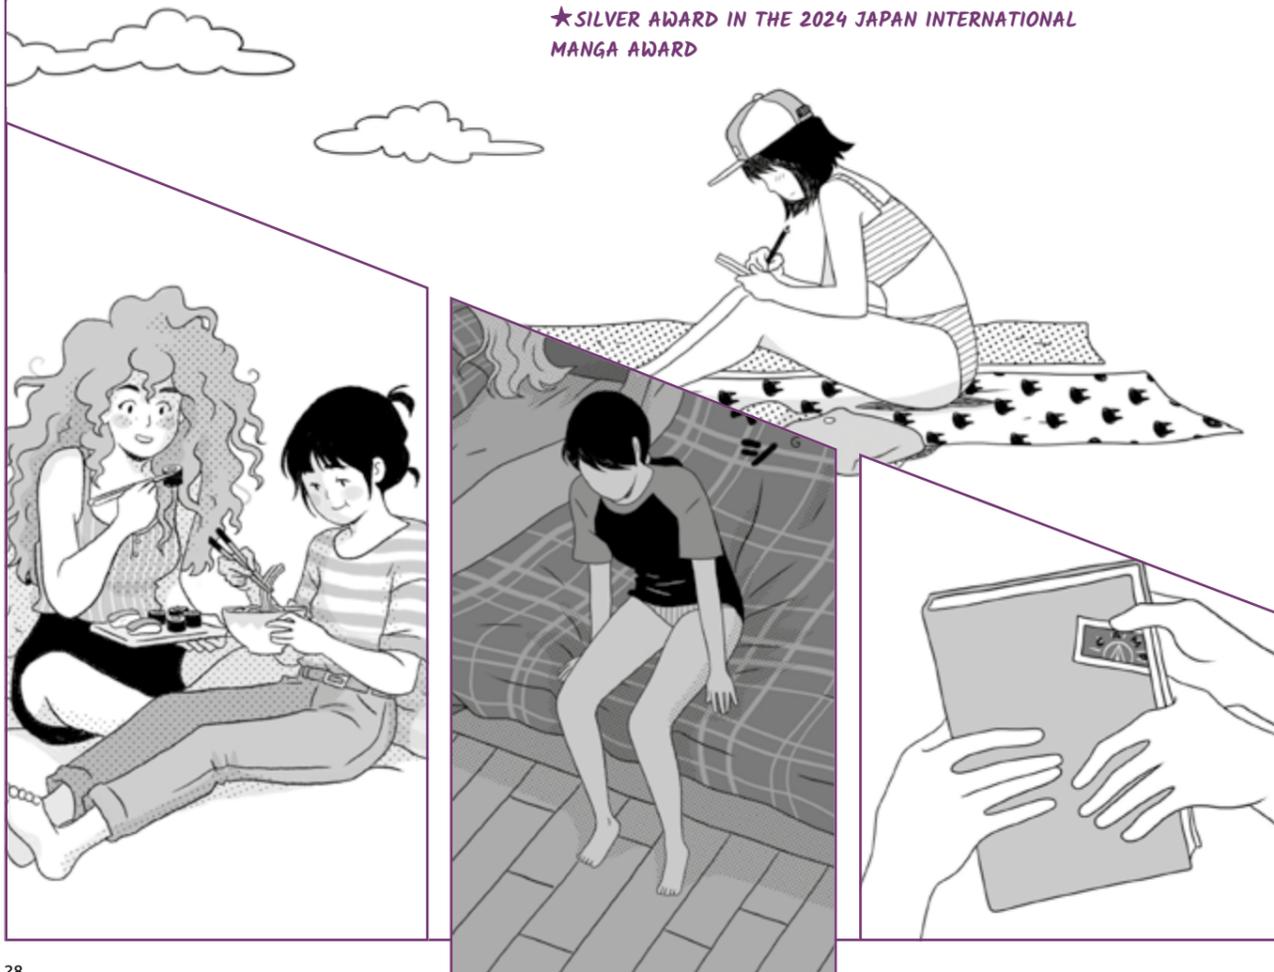

Despite the passage of time, the miles between them, and the changes in their lives, they try to see each other whenever they can, nostalgically reminiscing about the summer that left such a lasting mark on their hearts. Even though the carefree days of sun and sea are behind them, neither is ready to fully let go of the magical memories they made at that camp.

Just Friends is the tender story of two girls who met at a specific time and place, and how, ever since, they have tried with all their hearts to recapture the magic of who they once were and the sweet charm of first love.

Sara Lozoya has mastered the art world through self-taught dedication, constantly challenging herself to improve until what started as a hobby evolved into her professional career. Her restless creativity has led her to work as a background artist and colour key artist at Sunshine Animation Studio, where she has contributed to the animated trailers for video games like *Blasphemous*, *CrisTales*, and *TemTem*. Sara has also illustrated a wide range of young adult books, including *Escuela de Villanos*, *Ana de las Tejas Verdes*, and *El Retorno a la Isla Blanca*, among others. Additionally, she is the author of *Flashlight*, a BL manga currently published in the magazine *Planeta Manga*.

SARA LOZOYA

FLASHLIGHT SERIES

A BL story set in the K-Pop scene, where love blossoms through the gentle innocence and tender hearts of its characters

Jongsu has finished his college entrance exam, and until he receives his grades, he can enjoy his free time playing music without his father's constant pressure about his studies and future career. During this break, he spends his days with his lovely sister Minji and his bandmates, Cahen and Haejin.

He's madly in love with Haejin, but his crippling shyness has always kept him from confessing his feelings. However, all good things must come to an end, and his father returns to his old ways. Seeking solace, Jongsu turns to his friends, only to have his heart shattered when Haejin drops a bombshell: next year, he's heading to the city to chase his dream of becoming a K-pop idol!

INMA R.

Inma R. is a brilliant manga artist who burst onto the scene with her debut *3x1* (Medea, 2005) and followed up with the acclaimed *O.U.T.* (Norma, 2009). Her talents extend far beyond manga, as she is also an internationally celebrated contributor to various industries, including video games and how-to-draw manga books. Among her many achievements, she crafted the stunning illustrations for Blanca Mira's novel *Japón: De estudiante a mangaka* (Planeta Cómico, 2021). Known for blending elements of romance, fantasy, and drama, Inma R. has garnered a loyal fan base with her latest series, *Wild Beast Forest House*, which has reached over 20 million views on Webtoon.

RIGHTS SOLD TO: TOKYOPOP (USA), JUNDO (ITALY), PAPERTOONS (GERMANY).

WILD BEAST FOREST HOUSE SERIES

A steamy BL romance that seamlessly blends the search for love with the longing for family and a haven to call home

"Wild Beast" is the only place in the forest where wild animals can rest under the promise of not attacking each other. Yule, a domestic cat who has escaped from a harrowing past of abuse, arrives seeking shelter in this rural sanctuary. Despite knowing the potential trouble Yule might bring, Ragnar, the enigmatic and attractive wolf owner, can't ignore the compassion hidden beneath his tough exterior and decides to let Yule stay.

In this eclectic hotel, Yule encounters a charming cast of residents: Skye, the affable rabbit receptionist who has captured the heart of the bear Ethan; Todd, the fiery and scatterbrained fox; and Nazka, the composed black panther. Each of them plays a part in helping Yule find a sense of belonging, especially Ragnar, with whom Yule forms a deep emotional and physical connection. But as threats loom at the forest's edge, the strength of their bond will be put to the ultimate test.

Inma R.'s pastel palette beautifully captures the tenderness of the characters while exploring the intricate nuances of love and relationships.

Forthcoming publication:
Vol 3: November 2025

LOLITA ALDEA

Lolita Aldea is a celebrated comic artist and illustrator known for her vibrant, expressive characters and intricate detail. She gained recognition with *El Velo*, a collaboration with the writer El Torres, in which they blend dramatic narratives with captivating artwork. Her diverse portfolio spans fantasy, horror, and romance, including notable series like *Rogues!*, *Bribones* and *Virtual Hero* series, translated into English with great success. Aldea's dedication to storytelling and unique artistic vision make her a significant figure in contemporary comic art.

SERGIO HERNÁNDEZ

Sergio Hernández, an accomplished writer and screenwriter, holds a degree in Hispanic Philology and a screenwriting diploma from the Centro Sperimentale di Cinematografia in Rome and Barreira A+D. He is the author of *365 First Dates* and *Backhome*, as well as the visionary founder of Collverd, Spain's pioneering creative content generator that develops series and feature films for leading producers and platforms. His work *The Last Song of Spring* has received exceptional acclaim from critics and notable filmmakers like Isabel Coixet.

DYSTOPIAN THRILLER FAST-PACED ACTION
STEAMPUNK AESTHETIC FUTURISTIC DETECTIVE
CRIME-RIDDEN CITY GRITTY ATMOSPHERE

HYSTERIA

With echoes of Blade Runner and Ghost in the Shell, this electrifying steampunk seinen is irresistible for fans of thrilling noir and intense suspense

In the sprawling, neon-lit chaos of Hysteria, the last city on Earth, crime is the law and darkness reigns supreme. Marcus, the best detective in town, navigates these dystopian streets, haunted by a past he's been desperately trying to escape. His world shifts when a new, unexpected case lands on his desk—a case that could alter the fate of humanity itself.

The catalyst? Little Linda Sellers, the daughter of a notorious criminal, who hasn't grown an inch since her adoption years ago from the slums of Hysteria. That part of the city is ruled by Novum, a synthetic drug that grips the area in its toxic embrace. As Marcus delves deeper into the mystery, he finds himself on a collision course with his own haunted past and a future hanging in the balance.

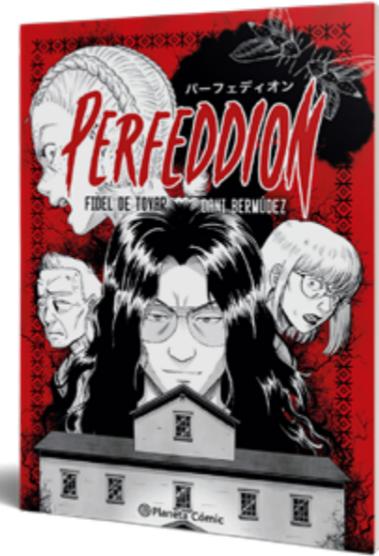

DANI BERMÚDEZ

Dani Bermúdez, a passionate admirer of Japanese language and culture, is greatly influenced by cinema and video games. He studied Fine Arts at Llotja School and Illustration at Joso School. In 2005, he published his first manga series, *Onegai Señorita*, in *Line Magazine*. He contributed to two collective works, *Let's Cook!* (2012) and *Olympics* (2013). His first solo work as an artist, in collaboration with Fidel del Tovar, *Arashiyama, la montaña de los deseos*, has been multi-awarded and celebrated.

FIDEL DEL TOVAR

Fidel del Tovar is a trailblazing comic book writer, celebrated for his electrifying storytelling and poignant narratives. His acclaimed works, such as *Arashiyama, la montaña de los deseos* and *Liquid Memories*, showcase his talent for creating intricate plots and unforgettable characters. As a major voice in Planeta Manga, Fidel's versatility and emotional depth captivate readers worldwide. Beyond his published masterpieces, he energizes the comic community through vibrant conventions and insightful workshops.

PSYCHOLOGICAL HORROR

INTRICATE PLOT

WICKED ATMOSPHERE

HAUNTED HOUSE

PERFEDDION

In the vein of The Haunting of Hill House, this spine-tingling psychological horror story shatters the fourth wall, forcing readers to confront their own ghosts and overcome them as the only way to escape

A family reunion always brings surprises, but Liv and her relatives are utterly unprepared for the horrors that await them at Perfeddion, the eerie mansion on the outskirts where Uncle Guido has recently moved. He has summoned the family, so they can finally meet his enigmatic new girlfriend.

The shadows that slither through the hallways and the unsettling noises that echo through the house are not just paranormal events but harbingers of a malevolent force far darker than anyone could imagine.

Unbeknownst to them, Perfeddion holds a sinister rule: You won't escape without them.

Akira Pansu studied at ESDIP (Madrid) where he completed a Master's in Concept Art and Graphics for Video Games, as well as a course in Comics. He participated in the annual contest organized by his university and won first prize in 2018. This marked the beginning of his career as a comic author, debuting the following year in *Planeta Manga* with *MidoriBoshi* (2019) and its sequel *MidoriBoshi: Kiku's Diary* (2020). He also contributed to the anthology *Voices That Count* (2021) and participated in various fanzines with illustrations and short comics. Akira's work is celebrated for its innovative page composition, storytelling experimentation, and rich symbolism.

AKIRA PANTSU

BONDS

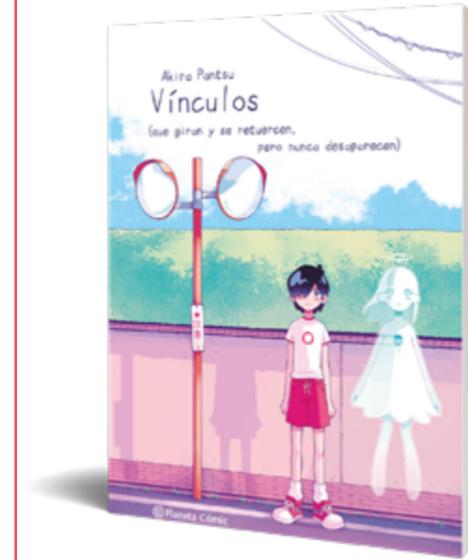

In this anthology, all the stories share a common thread: the powerful bonds that unite the characters

In the enchanting friends-to-lovers story *Midoriboshi*, the protagonists' love transcends the boundaries of dreams, whisking them away to a fantastical world where they are united both in their dreamscape and in real life. Meanwhile, in *Life-Death*, the unbreakable friendship between the protagonists endures even beyond death.

These stories beautifully illustrate that bonds may twist and turn, but never disappear when they are strong enough.

Akira Pansu's stories are renowned for their exploration of deeply complex themes such as loneliness, love, mental health, and abuse, always guiding the reader towards a path of light and hope.

The contrast between the author's tender, adorable style and the heartbreaking stories he tells will leave readers breathless. Akira Pansu's art often showcases fluid dynamics and a mesmerizing blend of dreamlike and real elements, while prominently featuring LGBTQ+ characters. This unique combination highlights his distinctive style, making each story a truly unforgettable experience.
