EROTIC ROMANCE

OVERCOMING

*A groundbreaking and tender novel about parallel and fictitious lives in social networks*

Maia Allen lives with her mother, who has problems with alcohol since her daughter Deneb's accident. On the other hand, Liam Harper is a well-known Youtuber who feels totally lost and unmotivated in life.

One Saturday morning, Maia walks to her car and sees a boy sleeping in the backseat. When she finally manages to wake him up, the boy is totally disoriented. He introduces himself to her as Liam Harper, but she has no idea who he is. Liam doesn't understand what he did last night to end up in a stranger's car in a town two hundred miles outside of London. He needs to get home and the only one who can help him is this girl who seems moody, but whom he also finds attractive.

**RIGHTS SOLD TO:** Sperling & Kupfer (Italy), Feeria (Poland), Alpina (Russia).

**ALICE KELLEN**, absolute best-selling author in Spanish, has conquered the heart of more than **2 million readers**. The secret of her success lies in her ability to write romantic stories on personal relationships combining a classical frame and very attractive settings. Her luminous tone, intimate and fresh, does not shy away from drama and realism. All of them are stories that catch the reader from the very first page, full of a delightful complicity, sexual tension, and attraction disguised as friendship. Her novels have been translated in twelve territories so far.

### *A Story of a Generation in Search of Stability*

Gin and Bernat, a young couple on the brink of their thirties, are navigating the uncertain transition into adulthood. Before moving in together—a milestone laden with both excitement and apprehension—they decide to take a trip to Peru, an adventure meant to solidify their bond before stepping into the next phase of their lives.

At first, they slip effortlessly into the roles of carefree tourists, following the expected itinerary. But as they immerse themselves in new landscapes and unfamiliar experiences, unexpected realizations begin to surface. Beneath the vibrant colors of their journey lies an undercurrent of doubt, a quiet tension between the security they seek and the unspoken uncertainties that linger.

This beautifully illustrated novel captures the contradictions of modern adulthood—between routine and adventure, mediocrity and intensity, freedom and responsibility. Through evocative visuals and a keenly observed narrative, it reflects the struggles of a generation facing economic precarity, normalized instability, and the ever-present question: Are we where we are supposed to be?
